PART 2B – POSITION REQUIREMENTS

2.1 ORGANIZATIONAL CONTEXT. *Define the role of the position within the team, describing its leadership role, if any, it's external/internal work relationships or contacts, the contextual environment in which it operates and the scope of supervision received, and where applicable, exercised by the incumbent.*

The Protection Associate reports to the Assistant Field Officer and coordinates with the Protection Unit in BOMEX. He/she monitors protection standards, operational procedures and practices in protection delivery in line with international standards and provides functional protection support to information management and programme staff.

The Protection Associate is expected to coordinate quality, timely and effective protection and solutions responses to the needs of populations of concern and identify opportunities to mainstream protection methodologies and integrate protection safeguards in operational responses in all sectors. He/she contributes to locally implement the operation protection strategy in particular the support to local integration. He/she liaises externally with authorities and partners on protection doctrine and policy as guided by the supervisor and BOMEX.

The Protection Associate also ensures that persons of concern are involved with the Office in making decisions that affect them, whether in accessing their rights or in identifying appropriate solutions to their problems. To achieve this, the incumbent will need to build and maintain effective interfaces with communities of concern, local authorities and protection and assistance partners.

The Protection Associate will implement a case management system in order to follow specific needs, establish referral pathways, accompany refugees' local integration process, including access to health, education, formal employment and other services. He/she will also develop a Community based strategy to enhance the office community outreach and engagement with UNHCR persons of concern

2.2 FUNCTIONAL STATEMENT. *Describe the accountabilities, responsibilities and authorities associated with the position.*

Accountability *(key results that will be achieved)*

- The protection of populations of concern is met through the application of International and National Law, relevant UN/UNHCR protection standards and IASC principles.
- Protection activities are guided by the UNHCR country protection strategy.
- The participation of persons of concern is facilitated through continuous assessment and evaluation using participatory, rights and community based approaches.
- Protection incidents are immediately identified and reported.

Responsibility (*process and functions undertaken to achieve results*)

- Stay abreast of political, social, economic and cultural developments that have an impact on the protection environment.
- Consistently apply International and National Law and applicable UN/UNHCR and IASC policy, standards and codes of conduct.
- Assist in providing comments on existing and draft legislation related to persons of concern.
- Provide advice on protection issues to persons of concern; liaise with competent authorities to ensure the issuance of personal and other relevant documentation.
- Assist in conducting eligibility and status determination for persons of concern.
- Contribute to measures to identify, prevent and reduce statelessness.
- Contribute to a country-level child protection plan as part of the protection strategy.
- Contribute to a country-level education plan as part of the protection strategy.
- Monitor Standard Operating Procedures (SOPs) for all protection/solutions activities.
- Manage individual protection cases including those on SGBV and child protection. Monitor, and intervene in cases of refoulement, expulsion and other protection incidents.
- Assist in identifying durable solutions for the largest possible number of persons of concern through voluntary repatriation, local integration and where appropriate, resettlement.
- Contribute to the design, implementation and evaluation of protection related AGD based programming with implementing and operational partners.
- Contribute to effective information management through the provision of disaggregated data on populations of concern and their problems.
- Participate in initiatives to capacitate authorities, relevant institutions and NGOs to strengthen national protection related legislation and procedures.

Authority (*decisions made in executing responsibilities and to achieve results*)

- Prioritize persons of concern for interview, counselling and propose protection support for individual cases.
- Enforce compliance of local implementing partners with global protection policies and standards of professional integrity in the delivery of protection services.
- Enforce compliance with, and integrity of, all protection standard operating procedures.
- Submit individual payments request for persons of concern for approval.

2.3 REQUIRED COMPETENCIES, which illustrate behaviours that are essential to achieving deliverables described above, and that are critical to successful performance. All jobs require the staff to abide to the Values and Core competencies of UNHCR. Where applicable, select a maximum of six Managerial and three Cross-Functional Competencies. (Note that the Performance Appraisal and Management System (PAMS) allows for up to five Cross-Functional Competencies to be selected by the staff member and the supervisor.
